Paper 21/26

SUTTON TIMES

As part of our wish to improve Sutton Times, Cllr Knighton and I thought it would be good to get a price for printing in colour.

A 12 page issue (the size we mostly produce) would cost £268.56

The black and white version costs £150.00

We think that is very reasonable and would like Councillors approval to move to a colour edition starting with the December issue.

At the meeting, we will give an update on our progress on automating the production.
